"First Man" Earners BMS Fred's Oscar Win In Film Years

"First Man" earners BMS Fred's Oscar win in film years. Ryan Gosling's "First Man" earned $ 2.5 million in its first weekend in India, the film's distributor Universal said on Sunday. Directed by Oscar-winner Damien Chazelle, the film, which stars Gosling and Claire Foy, is based on Neil Armstrong's life and his mission to the moon.

Chazelle's movie, which also stars Jason Clarke, Kyle Chandler, Corey Stoll and Ciaran Hinds, earned $ 2.5 million in its first weekend in India, the distributor said.

"Lucky Day Film presents "A very personal and moving film, the award winning actress Lea Seydoux Whom Director Abdellatif Kechiche Chose for Her Lead Role in Her Film Blue Is the Warmest Color Is Back With Her Film Mektoub, My Love: Canto Uno Which Is Set to Release in Cinemas Across Europe Starting From Next Month," said Universal Pictures International Vice President Sales and Distribution Jonathan Dinkin.

Lea Seydoux's movie Mektoub, My Love: Canto Uno is set to release in cinemas across Europe starting from next month.

The film is set in 1960 and focuses on Armstrong's life and his mission to the moon. It also shows the sacrifices he and his family made for the mission.
